Happy Birthday Wishes For Daughter From Mom And Dad with Image:

My Girl

She's the air that I breathe.
She's the beat in my heart.
She's the tear in my eyes
when we're apart.

She's the pride that I feel,
with all she achieves.
I'm the one who gives hope,
in what she believes.

She's a part of my body,
but now she's all grown.
as she waves me goodbye,
to find a life of her own.

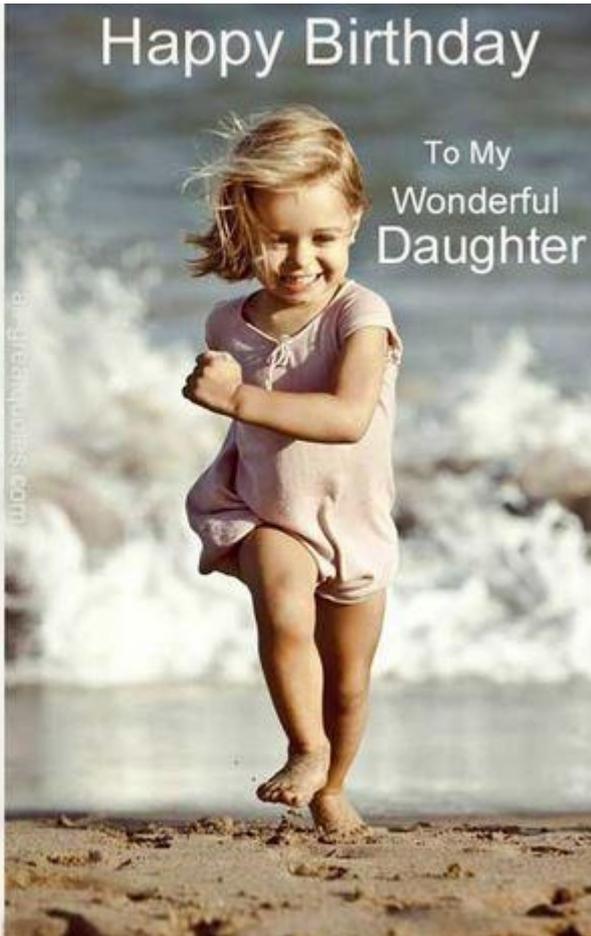

My beautiful girl,
you've grown up so fine.
You make me so proud,
to know that you're mine.

On your Birthday, we share with you three words of wisdom that we've gathered from our lives. Peace, health and tolerance ? these are the three things that will sail you through life. We wish you a Happy Birthday, a great year and a great life ahead

We knew that God truly loved us a lot when he gifted us with you. You are the most beautiful gift anyone has ever been gifted with. We love you a lot. On your birthday, we wish that God blesses you abundantly and fills your heart with more love. Happy Birthday to our dearest daughter.

*Do you remember the first
Do you remember the first day of school?
When we walked together hand in hand
Your eyes were heavy and your mouth full of drool
As you didn't want to sit in class, just roll in the sand
Do you remember the first day of college?
When you were tense and for me it was a nervous day
Times have flown and today I consider it be my privilege
To wish you a Happy Birthday!*

[Birthday Poem](#) for My Precious Daughter

No matter how old our precious girls may be (5 years old or 55), it's always nice to let them know how much we love them and how much they mean to us.

That's exactly what the first poem is trying to communicate.

I think it's a very nice gesture of appreciation that we may show them.

We don't need to wait for her birthday or a special occasion to share a poem like this with her.

I think it may be even more special if we surprise our daughters and share it with them on a random ordinary day.

A Daughter Like You

You're my daughter,
and I'd just like to say,
You bring me joy,
each and every day.

Whenever I think,
or look at you,
I know I'm blessed,
that's wonderfully true.

You're very special,
thoughtfully care,
A helping hand,
always willing to share.

You're always determined,
to achieve what's in your mind,
Thinking of others,
you're actions are kind.

I shall admit,
we're a wonderful team,
To have a daughter like you,
was my ultimate dream.
