## Parents Wedding Anniversary Wishes & Poems

You are both special in every way,  
Encouraging me more and more each passing day.

You both are the reason why I'm so strong.  
With you two at the helm, not a thing could go wrong.

You've both helped me through many trials and tribulations.  
You've made things better in every situation.

Thank you both for always being there  
And showing me that you truly care.

Words could never explain how I feel about you,  
But I hope you know that I truly love you two!

Happy Anniversary Mom & Dad

Get off my back  
Is what I would have said  
Using those words now  
I wouldn't be caught dead  
Leave me alone  
I would have said years ago  
Such disrespect again  
I would never show  
Because I realize  
The importance and value  
Of having wonderful  
Parents like you  
Thanks

Happy Anniversary Mom & Dad

When I wanted to climb higher  
You became my ladder  
When I wanted some support  
You both came together  
When I wanted to fly high  
You became my hot air balloon  
When everything felt cursed  
You appeared as my boon  
I rested on your shoulders  
When I wanted a better view  
To parents who've done everything  
I want to say thank you  
Happy Anniversary Mom & Dad
